WEDDINGS AT ST. JOHN'S

Marriage is a holy estate, ordained of God, and to be held in honor by all. Thus, when the Church is asked to perform the Rite of Marriage, it does so in the awareness that the couple is seeking the blessing of God upon their life together.

The joy of the marriage ceremony is reflected in the prayers, praise, and thanksgiving of those who come together for this occasion.

The following information is provided to assist in making your wedding a beautiful and joyful celebration, which will reflect upon the sanctity of the marriage covenant.

OUR APPROACH

- Both St. John's member and non-member weddings are welcome.
- A minister of St. John's will officiate at the wedding service. Male and female ordained ministers officiate at weddings.
- We observe the Lutheran marriage ceremony.
- The organist is provided by St. John's and will approve all music selections.
- All couples must attend one pre-marital class.
- All couples must have one follow up pastoral conference with one of our pastors.

THE CHURCH FACILITIES

- The seating area will accommodate 350-400 guests.
- Our church is German Gothic cathedral style (one of Sacramento's oldest).
- Our sanctuary features a center aisle and lovely stained glass windows.
- The church is available to you for 1½ hours prior to the wedding time for set-up, preparation and photography.
- Women should arrive with hair and make-up done and be ready to change into their dresses in our Bride's Room. Men should arrive dressed and ready to go.
- After the ceremony, 45 minutes are allowed for photography.
- Alcoholic beverages are prohibited.
- We have two halls available for receptions. Contact the church for further info and pricing.

MARRIAGE LICENSE

The wedding couple is responsible for obtaining the marriage license. The wedding license must be in the church office at least three weeks prior to the wedding. St. John's will record the license and forward it to the county.

PREPARATION

The marriage process at St. John's includes the following four steps and they must be completed once the initial contact with the church has been made and a date and time agreed upon for the ceremony.

1 – Pre-Marital Workshop

The workshop is focused on:

- The wedding service.
- The importance of communication.
- “Prepare” relationship inventory.

The attendance of one pre-marital workshop is required of all couples. You will be notified of up-coming workshops.

2 – Wedding Coordinator Conference

A meeting with the Wedding Coordinator will be scheduled to discuss the details of the ceremony (i.e., people involved, ceremony choices). The wedding couple must have attended the workshop before this conference. The conference will last approximately one hour and will be scheduled 4-6 weeks before the wedding.

3 – Pastoral Conference

A conference will be scheduled with the couple in order to discuss the “Prepare” relationship inventory results and to get to know the St. John's pastor that will be officiating at your wedding service. The conference will last approximately one hour and will be scheduled 2-4 weeks before the wedding.

4 – Music Conference

An organist of St. John's will play for the wedding service. The wedding couple should schedule a conference for the purpose of selecting the music. The conference should be scheduled 2-4 weeks before the wedding.

MUSIC

- Weddings at St. John's take place within the context of Christian Worship and the music chosen should reflect this tradition. Thus, many selections are more appropriate for the reception rather than the wedding service. The organist will be happy to assist the wedding couple in selecting appropriate music for the service.
- If solo music is desired, the wedding couple may provide their own soloist, or the church can do so for an additional fee. Any guest soloist should arrange for a rehearsal with the organist.
- The use of pre-recorded music is not permitted.

PHOTOGRAPHY & VIDEOGRAPHY

- In order to maintain a worshipful atmosphere, flash photography is not allowed during the wedding service.
- Formal photos may be taken in the chancel area either prior to or following the wedding ceremony. Please ask your photographer to contact the Wedding Coordinator prior to the service to make arrangements.
- Videotaping the service is possible. Videographers may record from the rear of the church or from the balconies. An unmanned video camera on a tripod may be set up on the altar area and turned on prior to the ceremony.
- Prior arrangements should be made with the Wedding Coordinator to discuss placement of cameras and other equipment.
- No Photographers or Videographers are allowed in or near the altar area during the ceremony.

FLOWERS & DECORATIONS

- Flowers and decor must be approved by the Wedding Coordinator at least three weeks prior to the wedding ceremony.
- Because of safety and liability concerns, the following are prohibited: the use of runners and the throwing of rice or birdseed.
- Your florist can arrive to decorate the church 1 ½ hours before the ceremony and should be finished 45 minutes before the ceremony begins.
- If your florist is not responsible, please assign someone to transport the flowers following the ceremony.
- Pew bows must attach to the pews with ribbon, rubber bands or plastic pew clips (no tape or wire is allowed). There are 15 pews on each side of the aisle.
- Aisle candles are available for candlelight weddings. If you are using the aisle candles and you want to decorate them, you will need 14 bows (7 on each side). Use chenille stems (pipe cleaners) or ribbon to attach decorations no tape or wire is allowed). Fabric swags between the aisle candles are not allowed.

PARKING

- The white zone directly in front of the church is available for the wedding couples' departure car.
- Parking meters run Mondays through Saturdays until 8:00 pm.
- The parking lot next to the church is available for the wedding party during the rehearsal and wedding ceremony. The parking garage is opened for Saturday weddings. The entrance to the garage is on K Street, between 17th & 18th. There will be signs directing people to the parking garage and a sign informing them of what time the garage will be closed (1½ hours after the wedding time).

WEDDING REHEARSAL

The wedding rehearsal will be organized and led by the Wedding Coordinator. Everyone in the Formal Seating and Wedding Ceremony should be present at the rehearsal, including parents, grandparents, readers and formal ushers.
